

DEAR SIR; I AM A TRUCK DRIVER THAT FREQUENTLY GO'S TO SOME OF THE CITIES THAT ARE OR WILL BE COVERED BY XM WEATHER AND TRAFFIC BROADCASTS. IT IS VERY COST EFFECTIVE TO PAY XM FOR THE INFOMATION I RECEIVE VIA RADIO. I DO NOT LOSE TIME OR BURN UNNECESSARY FUEL OR BE THE CAUSE OF A TRAFFIC JAMB BECAUSE I AM IN THE WRONG PLACE AT THE WRONG TIME. I VERY MUCH OPPOSE THE PROPOSED RESTRICTIONS ON XM'S ABILITY TO COVER WEATHER AND TRAFFIC.
